That Corn Is a Sure "Goner," Now

"GETS-IT," the New-Plan Corn Cure,
Gets Any Corn Surely, Quickly.

You'll say, "It does beat all how
quick 'GETS-IT' got rid of that corn.
It's almost magic!" "GETS-IT" gets

"Never Could Do This Before. 'GETS-IT'
Made Every Corn Vanish Like Magic!"
every corn, every time, as sure as the
sun rises. It takes about two seconds
to apply it. Corn pains stop, you forget
the corn, the corn shrivels up, and it's
gone! Every try anything like that!
You never did. There's no more fussing
with plasters that press on the corn, no
more salves that take off the surrounding
flesh, no more bandages. No more
knives, files or razors that make corns
grow and cause danger of blood poison.
'GETS-IT' is equally harmless to
healthy or irritated flesh. It 'gets'
every corn, wart, callous and bunion
you've got.
'GETS-IT' is sold at all druggists' at
25 cents a bottle, or sent on receipt of
price by E. Lawrence & Co., Chicago.
Sold in Barre by C. H. Kendrick &
Co., E. A. Drown.—Advt.

ly money, as he frankly states, there be-
ing good living by hiking about the
country except when he runs into com-
petition with marching suffragettes as he
did at Albany, N. Y. He has been in
the business for some two years, dur-
ing which time he has gone from New
York to Chicago and back and again
to Jacksonville, stopping at the larger
places and making theatrical engage-
ments. He doesn't pretend that he
walks all the way because now and then
a railroad train looks good to him and
he hops aboard. On the present tour,
in which he left New York on Nov. 27,
last, he has covered some 500 miles, he
thinks, having gone up through New
York state, back to southern Vermont,
across Vermont; and he's now headed
for Maine and New Brunswick, later
coming back to St. Johnsbury and then
striking out for Montreal.
This afternoon and to-night he has
an engagement at the Pavilion theatre.
